

Compliance action taken for childcare provision

EY285467/ 131559

Date published: 30/07/2010

Summary of outcome

On 13 July 2010, we received information that raised concerns about the registration.

This information was received from a notification by the provider. The provider conducted an investigation and informed us of their findings. As a result of the provider's response, we did not undertake a visit on this occasion.

Action taken

The provider identified some members of staff needed additional training in behaviour management and has arranged for this to take place. This is in relation to the Early Years Foundation Stage General Welfare Requirements for safeguarding and promoting children's welfare; and suitable people. We are satisfied with the action taken by the provider.

The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website

for a period of five years commencing on the date we complete our investigation.
